SAY HELLO TO

RISING TURTLE

Boutique Coastal Homes,
Crafted for Calm.

“Some things always find their way home”

Every year, thousands of Olive Ridley turtles ÿnd their way back
to the shores of Goa.
No map. No directions. Just an instinct —
that this is where they belong.

Rising Turtle is being made for the people, who feel the same
way about Goa.

“Let the spirit of the turtles inspire you”

“Inspired by Goa. Designed for Today.”

A contemporary take on classic Portuguese homes, Rising Turtle blends clean modern lines with natural textures. The result — a design language that feels both timeless and refreshing.

RISING TURTLE

“Where Goa lives at its finest”

The Address: Strategically located in North Goa, Rising Turtle enjoys seamless connectivity to the new MOPA International Airport, making arrivals and getaways effortlessly convenient. Surrounded by well-known landmarks like Dolphin Circle and historic churches, the address places you in a neighbourhood that blends culture with everyday ease. From iconic dining experiences such as The Ritz and The Fisherman’s Wharf to vibrant casinos and nightlife, everything you love about Goa is just minutes away. With quick access to Calangute, Baga, and Candolim beaches, you’re always close to the coast—yet perfectly tucked away to enjoy your own sense of calm.

“Everything Goa promised — right outside your door”

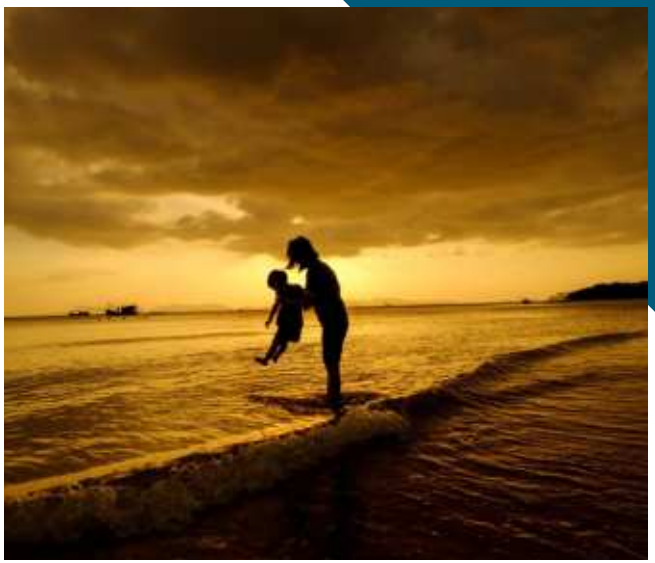

The Neighbourhood: Calangute isn't just Goa's most famous beach strip. It's where the best of Goa converges — the freshest seafood shacks, the oldest churches, the open-air markets, the nightlife that starts late and ends with a sunrise swim. Rising Turtle puts all of it at your doorstep — and none of it in your living room.

“A life less ordinary — every single day”

6:00 AM — The yoga pavilion, dew on the grass, the world still quiet.

8:00 AM — Breakfast at the café, overlooking the water body.

10:00 AM — The gym. Then the pool because you earned it.

1:00 PM — Lunch at the lounge bar. The swim-up bar calls by 3.

5:00 PM — The little ones chasing sunsets by the poolside. You at the café with something cold.

8:00 PM — Private dining. Or the recreation space. Or the rooftop with people you love.

10:00 PM — The sound of the Goa night from your terrace.

And tomorrow exactly the same.

“Private by Design. Personal by Nature”

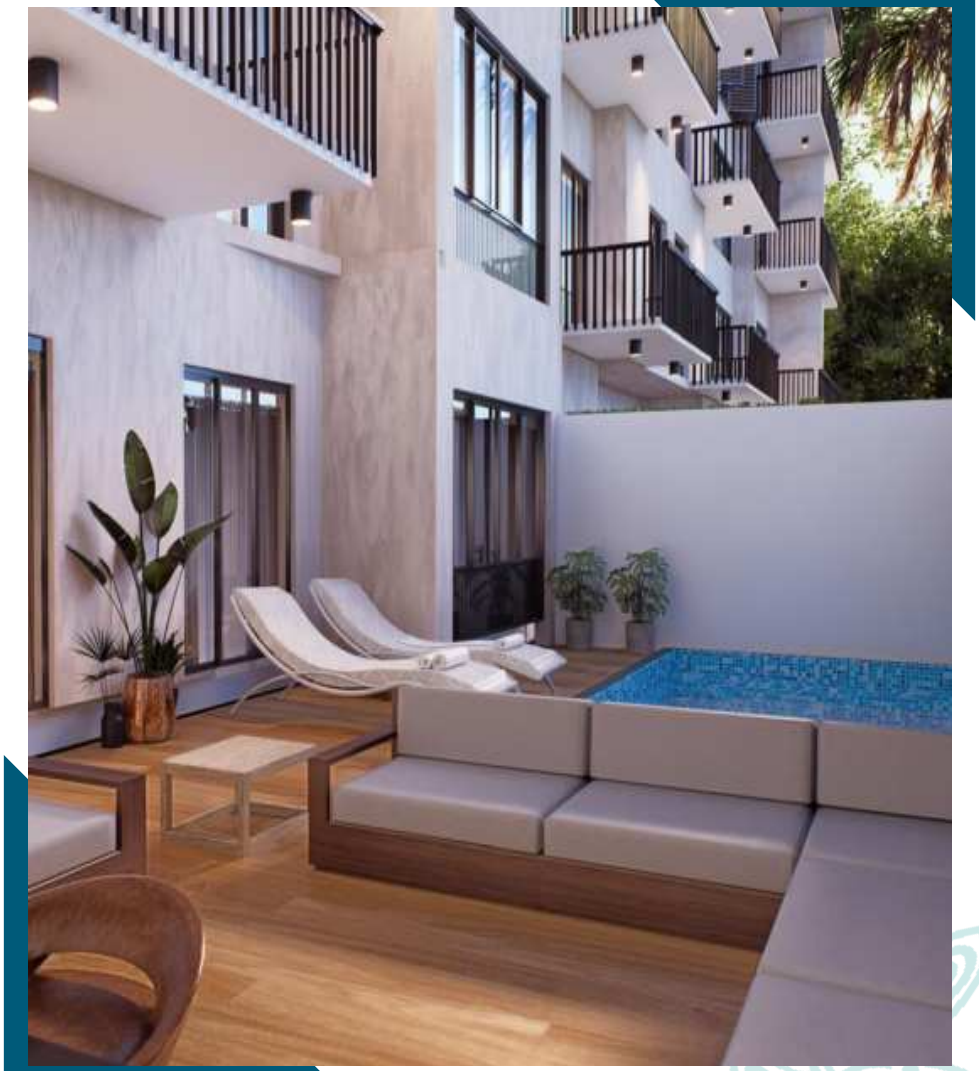

At Rising Turtle, the idea of a pool is reimagined.
Not as an amenity, but as a private ritual.
Whether it’s a quiet morning dip, a slow afternoon pause,
or an evening under the sky - these pools aren’t designed to
impress. They’re designed to belong to you.

Not shared. Not crowded. Just… yours.

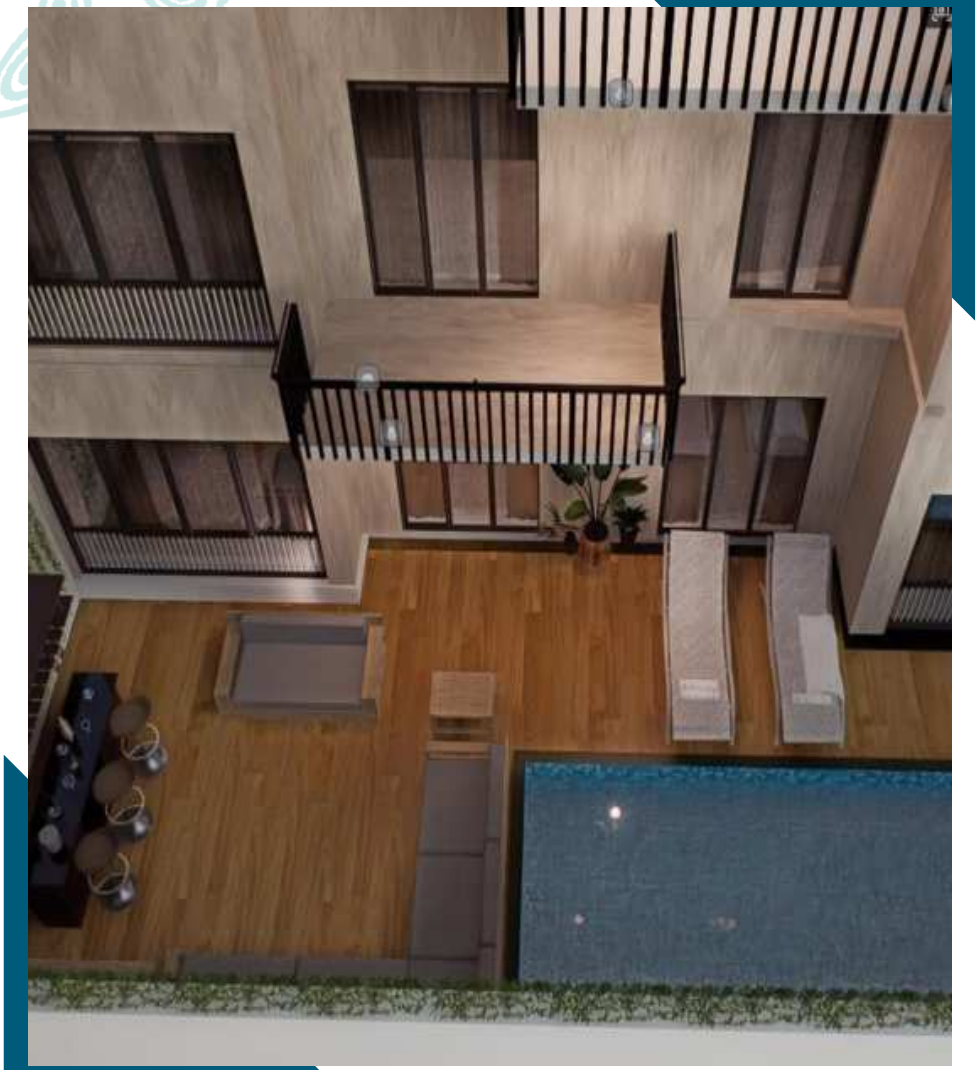

“Where Days Turn Into Moments”

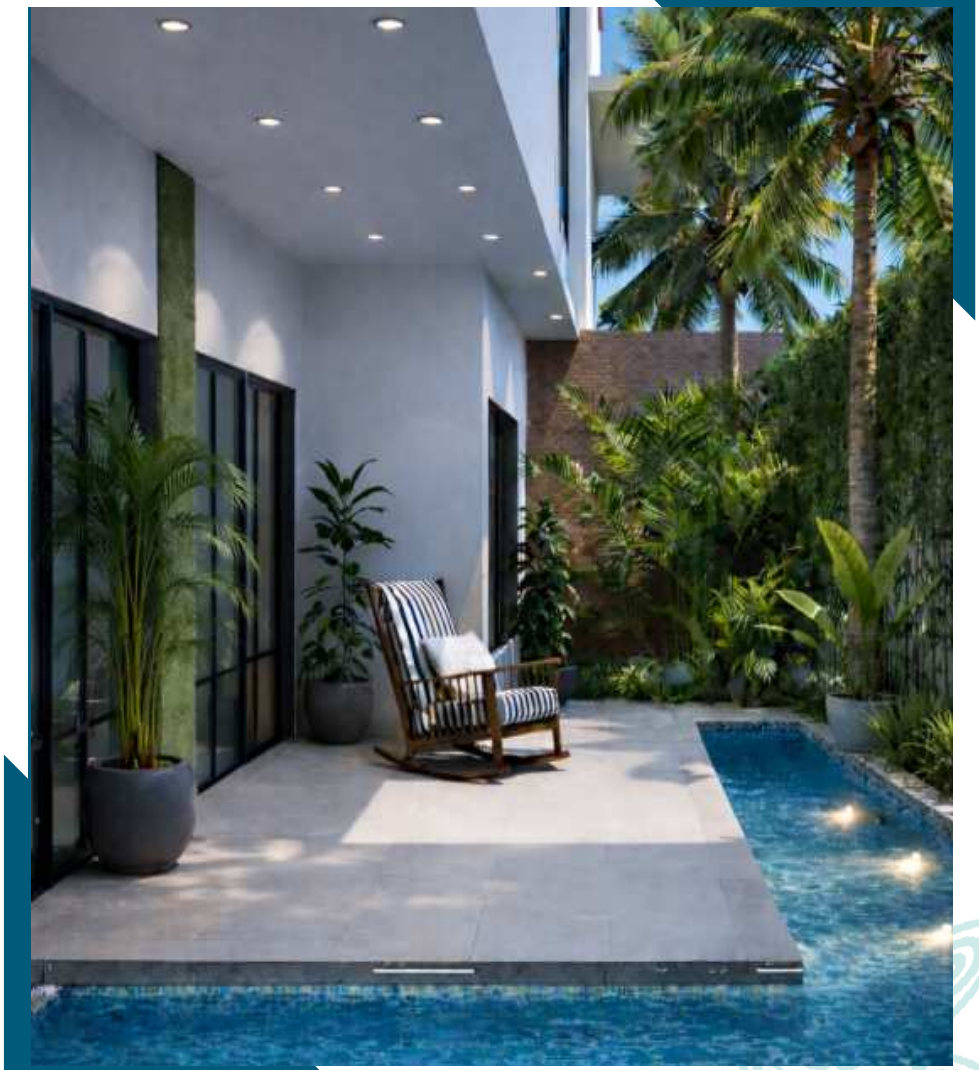

It starts with a quiet morning dip.
Turns into laughter by noon.
And settles into long conversations by evening.
The pool at Rising Turtle isn’t just a place -
it’s where life naturally gathers.

Unplanned. Unrushed. Unforgettable.
